

Motorama Kart Parts
"in Partnership w/Applied Mechanical"

January 29, 2009

***** FOR IMMEDIATE RELEASE *****

For anyone who's ever been to a kart race, you know the 5–8 year old age group, Kid Kart class is always one of the most competitive and fun WKA classes available. Kids are the future of karting and the Great Lake Sprint Series (GLSS) is committed to supporting and encouraging young racers to make sure they get a good start in their racing endeavors. As such, the GLSS is proud to announce that **Kevin Harter** from **Championship Racing Performance (CRP)** will be the GLSS Director of the Kid Kart program for the 2009 race season. Kevin will also be working in partnership with series Vice-President, Jeff Finley to help promote the GLSS Kid Kart program. Look for additional announcements in the coming weeks.

For more information regarding the GLSS, please browse to www.glsseries.com
